

STANDARDS BOOTCAMP

Day - long session at Supervisory Training Day

May 21, 2009 • 8am-3:30pm

Have an accreditation visit this summer? Open to new leaders as well as seasoned management staff, this day long program will get you squared away with all your standards before the start of summer. Learn best practices for accreditation preparation and identify the most commonly missed standards so they get your attention now! Bring in your accreditation documents for feedback from seasoned visitors and have your burning questions answered from the Southern California/Hawaii Standards Co-Chair!
